OFFICE OF THE PRESIDENT

February 4, 1962

Mr. John H. Davison, Chairman
Yale Broadcasting Company
242-A Yale Station
New Haven, Connecticut

Dear Mr. Davison:

Please excuse my silence in recent weeks; we have been lining up workers and generally intrenching for the Convention on April 7th.

The following of our people will take charge of the indicated areas of responsibility:

William Malone:	Program Arrangements
Charles Quigley:	Advance Registration
John Pegram:	Publicity

You may hear from one or more of them, tho I shall try to coordinate our efforts in order to present a minimum of confusion to WYBC.

Many of the aspects of the Convention were taken up at our recent January 27th Board meeting, and ground rules have been distributed to all of our workers (including your suggestions and information).

Our Chairman, George Abraham, in negotiation with the FCC for a principal guest speaker at the afternoon general session. We should have this point resolved within a week, if not less.

We shall hope that we can progress at a much more rapid pace from here on in.

Best regards,

Richard H. Crompton
